## Axis International Marketing Ltd. (Dr. Organizer® Brand)

### 1. Established U.S. Company With Long Operating History

- Based in **Des Plaines, Illinois (Chicago area)** with a physical office and warehouse facility.
- In business since **1998 (25+ years)**
- Over **4 decades of combined industry experience** in product development and retail distribution
- Operates U.S. headquarters + **overseas manufacturing infrastructure** (China factory operations)

👉 This is not a startup or “invention promotion” shell — it is a long-standing product company with infrastructure.

### 2. Verified Retail Distribution & Sales History

- Reported **\$150+ million in retail sales generated** through products supplied to major retailers.
- Products sold through **major national retailers and e-commerce platforms**, including:
  - Walmart
  - Amazon
  - Target
  - Wayfair
  - Crate & Barrel
- Company states it is:
  - **Amazon Prime supplier**
  - **Walmart 2-Day Shipping badge supplier**

👉 These designations require **verified fulfillment performance, inventory reliability, and compliance standards** — not available to unverified sellers.

### 3. Active Marketplace Seller (Independent Verification)

#### Walmart Marketplace

- Verified seller listing: **Axis International Marketing Ltd**
- Rating: **4.6 / 5 stars** from customers
- Confirmed U.S. business address and contact details.

#### Amazon Marketplace

- Selling since **2018**
- Rating: **~4.2 / 5 from ~98 reviews**

- Dozens of active products under **Dr. Organizer brand**

👉 This confirms **real product sales, fulfillment, and customer transactions** — not just claims.

#### 4. Registered Intellectual Property (Trademark Proof)

- **“Dr. Organizer” is a registered U.S. trademark** (active through 2030)
- Covers:
  - Drawer organizers
  - Storage systems
  - Household organization products

👉 This demonstrates:

- Legal brand ownership
- Commercial use in interstate commerce
- USPTO validation

#### 5. Proven Product Development & Licensing Model

- Company actively:
  - Evaluates inventions.
  - Developed prototypes.
  - Manufacturers’ products
  - Places products with retailers
- Has introduced **500+ products to market.**

👉 This is a **full-cycle commercialization firm**, not just a consulting service.

#### 6. Real Manufacturing & Supply Chain Capability

- Own or partner with:
  - Plastic injection molding facilities
  - Metal fabrication plants
- Do **direct production + packaging + distribution.**

👉 This is critical distinction:

- They can **actually produce and ship product**, not just “shop ideas around.”

#### **BOTTOM LINE (WHAT THIS PROVES)**
